PKF China Desks Across The Globe

Our growing network of PKF China Desks, based across nine key hubs in the US, Europe, Asia and Africa, provide businesses with the expertise and connectivity to expand anywhere in the world.

These desks partner with our member firms to equip clients with the necessary cultural insights, language support, connections, and technical expertise they need to realise their global ambitions.

As China businesses join the global economy and international companies seek to enter the China market, PKF's blend of international experience and local knowledge makes us well-positioned to serve our clients in this increasingly complex, but exciting market.

Set on the most extraordinarily beautiful canvas, the African continent presents increasingly attractive business opportunities, due to its abundance of natural wealth, its bustling metropolises, its increasingly educated middle class population and its ever-improving political landscape.

With a diverse presence throughout Africa, PKF member firms offer local expertise and a unique understanding of local markets, backed by the resources of an African and international network.

Our unique ability of finding mutual understanding derives from our experience of working in an international environment. Building relationships based on trust is of utmost importance for us. Client satisfaction is our measure of success. We are passionate about finding smart solutions and adapting them to needs of companies and individuals we are working with.

Our multilingual Africa team can seamlessly connect you with any of our member firms across the continent and within the global network to give you the best advice and support – wherever you are in the world.
